

# Multi-Pure's MP750 Series

Multi-Pure's MP750 units are easy and convenient to use and provide delicious, clear, and healthier drinking water whenever you need it. These models use the exclusive three-stage, carbon block filter, Model CB6. Filter life / capacity is approximately 750 gallons or 1,200 gallons with a capacity monitor. Filters are easy to replace and all units include hardware and materials needed for installation.

## Model MP750SB For Below-the-Sink Use

This popular model comes with its own specially designed drinking water faucet which is installed directly on your sink, using little space. This versatile unit, installed below your sink, can sit on the cabinet floor or be mounted on the cabinet wall with a bracket. It may be connected to an icemaker or other device, using an optional tee, and it may be converted to a countertop unit with the purchase of a conversion kit.

### Designer Faucet:

*Chrome-plated faucet with adjustable flow control at your kitchen sink.*

*Faucets also available in decorator colors / finishes, at additional cost.*

## Model MPCT Countertop Use Only Unit

This unit sits on your counter next to the sink and connects to your existing faucet using a hose and diverter valve that allows you to easily switch from filtered to unfiltered water.

## Model MP750SC Countertop Unit

This unit sits on your counter next to the sink and connects to your existing faucet using a hose and diverter valve that allows you to easily switch from filtered to unfiltered water. The unit may be converted to a below-the-sink unit with the purchase of a conversion kit.

## Model MP1200EL Capacity Monitor included

A below-the-sink model that features a capacity monitor that increases the filter life to approximately 1,200 gallons. An easy to read light flashes at the faucet, indicating it is time to replace the filter.

## Model MP750SI Inline Applications

This unit is excellent for use with inline applications such as ice-makers, instant hot units, coffee machines, various restaurant uses, etc. Comes with easy connect fittings; however, no installation fixtures or accessories are provided.
